

EMPLOYER PARTNERSHIP OF THE ARMED FORCES

THE RESERVE COMPONENTS OF THE UNITED STATES ARMY AND LOC PERFORMANCE PRODUCTS, INC

14 April 2010
Plymouth, Michigan

The Reserve Components of the U.S. Army work tirelessly to provide qualified, tested, skilled and ready Soldiers to support crucial national initiatives in times of peace and war. Army National Guard and Army Reserve members are well trained in a variety of skills critical to maintaining not only the strength and agility of our Nation, but also the many industries and public agencies that form the backbone of the American economy.

The Army Reserve created the Employer Partnership Initiative to facilitate strategic and mutually beneficial relationships with employers and associations. Loc Performance Products, Inc. is uniquely suited to Soldiers of the National Guard and the Reserve. The respective company is also dedicated to assisting veterans in their search for civilian careers.

Loc Performance Products, Inc will employ, or seek to employ members of the Army National Guard and the Army Reserve by maintaining a deep commitment to hiring and supporting the brave men and women who protect and defend America. These Citizen-Soldiers have a well-earned reputation as exemplary employees with proven leadership, teamwork, discipline and grace under pressure.

The Army National Guard, the Army Reserve and Loc Performance Products, Inc hereby agree to explore mutually beneficial initiatives that support the missions of their organizations and to support their employees who answer the call to serve their Nation.

Major General Paul E. Crandall
